Start the summer off with a **BANG!**
The Greensboro Public Library is offering an amazing array of summer reading programs for all ages. It's the library's way of providing an adventure for children and families. We want to give the "summer slide" (when children's reading levels can fall) a great big **POW!** Please enjoy your summer and read, read, read! **KABOOM!** Let's make this a summer of fun and learning.
