ACKNOWLEDGEMENTS

Developing this transportation plan involved cooperation from local government, volunteers, the public, and technical staff. In addition, the Greensboro Urban Area MPO's Technical Coordinating Committee provided technical support and feedback throughout the planning process. Likewise, the policy board of the MPO, the Transportation Advisory Committee, played a crucial role in guiding and ultimately approving the final plan. The MPO staff expresses sincere thanks and gratitude to those who have assisted with the plan's development and ultimate adoption:

MPO Staff responsible for the development of the 2035 LRTP Update:

Tyler Meyer, AICP

Peggy Holland, GISP

Craig McKinney

Lydia McIntyre, EI

Kelly Larkins

Masha Block

The MPO would like to thank the following organizations for serving as resources during the development of the LRTP:

Guilford County Transportation and Mobility Services

Amtrak

Carolina Trailways

Greensboro Transit Authority

Piedmont Authority for Regional Transportation

NCDOT- Asset Management

NCDOT- Transportation Planning Branch

NCDOT- Division 7

NCDOT - Rail Division

NCDOT- Public Transportation Division

Federal Transit Administration

Greensboro Engineering Department

Greensboro Planning and Community
Development Department

Guilford County Planning & Development

Guilford County Property Management

Guilford County GIS (Historic Preservation)

Piedmont Triad Rural Planning Organization

Martin Alexiou Bryson, PLLC

Town of Sedalia

Town of Summerfield

Town of Pleasant Garden

Town of Stokesdale

Town of Oak Ridge

N.C. Dept. of Agriculture and Consumer Services

NC DENR- CGIA

NC DENR- Division of Water Quality

U.S. Environmental Protection Agency

U.S. Fish & Wildlife Service

The MPO extends a special thanks to:

Karen Markovics and Jeff Sovich, Planning and Community Development

Mary Brookshire, Greensboro Graphic Services
