

THE CITY OF GREENSBORO AND GRIFFIN & STRONG P.C.  
INVITE YOU TO OUR

# VIRTUAL PUBLIC HEARINGS

The City of Greensboro has contracted Griffin & Strong, PC to conduct a disparity study analyzing the City's procurement practices relative to minority, women, and disadvantaged business enterprises. During our study, we like to take the time to hear from community members and business owners about their experiences with doing business or attempting to do business with the City. These public hearings will give you the chance to voice your opinions and ignite the change you want to see for the Greensboro business community.
