From: Internal Audit Division
Subject: L. Richardson Hospital Limited Partnership - Grant

The Internal Audit Division has completed our annual review of the L. Richardson Hospital Limited Partnership in conjunction with a Programmatic Review by the Housing & Community Development Department for the 2005-2006 fiscal year. Attached you will find our review report; the programmatic report; the agency response; the departmental response and our replies to their responses. We feel that sufficient corrective actions have been implemented to our recommendations as we move forward. If you have any questions or need additional information, please let us know. Thanks.

Date: March 1, 2007
To: Andy Scott, Director of Housing & Community Development
From: Internal Audit
Subject: L. Richardson Hospital, Limited Partnership for Richardson Hospital Apartments

The Internal Audit Division has performed our yearly monitoring visit of Beacon Management which received a Supportive Services grant for L. Richardson, LP (Partnership) in the amount of \$4,000 from the City of Greensboro during the 2005 to 2006 grant year.

The **Supportive Services** grant for \$4,000 was used to assist the Partnership development with Site Based Services for \$4,000. There are 32 units in Richardson Hospital Apartments. This is the 1st year of a 3-year funding that runs through the 2007-2008 grant year.

We examined selected financial transactions and program documentation maintained by the Partnership for compliance with the contract and for assurance that program goals were achieved. Based on our review, it appears that the funds have been spent according to the terms of this contract except for the following findings:

FINDING:

The Partnership's requisitions #1, 2, 3, & 4 dated June 20, 2006 were not processed by the Department Housing & Community Development (H&CD) until August 2, 2006 and requisition #5 dated July 20, 2006 was not processed for payment by H&CD until September 5, 2006.

RECOMMENDATION:

As per the contract the Partnership has with the City, it states that "Payment will generally be made within twenty-five days of the receipt by the City..." We are recommending that each requisition from the Partnership be date stamped when it is received by H&CD and that payments made to the Partnership be made in a timely manner as prescribed by the contract.

We request a written signed response from the Agency and the Department of Housing & Community Development by March 15, 2007.

We would like to thank Mr. George Carr, President; Mr. Tony Jones, Regional Manager and the staff of the Beacon Management for their courtesy and cooperation shown to us during this visit. If there are any questions or comments concerning the details of this visit, we can be reached at 373-2821.

RE: FY05/06 Supportive Services L. Richardson Hospital

Project Information:

L. Richardson Hospital Apartments features 32 units serving elderly and disabled residents and is located at 603 Benbow Road. The former hospital is managed by Beacon Management, George Carr, President.

The property received a \$4,000 Supportive Services grant in FY05/06 which is the subject of this review. Supportive Services records were reviewed by HCD and Internal Audit on February 21, 2007 at the offices of Beacon Management.

Financial Review:

The Internal Audit report showed no financial concerns.

Programmatic Review:

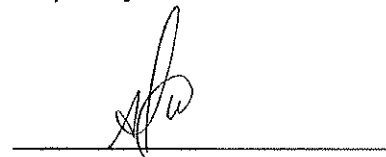

Supportive services and activities for the residents of L. Richardson Hospital are attended by its residents but at less stable participation rate than similar properties like St. Leo's (Another of Beacon's elderly properties).

A review of sign-in sheets for FY05/06 showed that usually between 5 to 25 residents attended each social (food and presentations etcetera) and around 9 attended each exercise class. These events were scheduled throughout the year and participation appeared to HCD staff to be fluctuating but still solid.

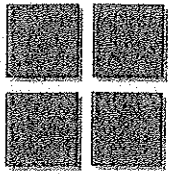

L. Richardson Hospital has maintained a high occupancy rate of near 95% in 2006. This is very good in the current market.

RE: HCD Review of St. Leo's Place Supportive Services Audit Report

After review of the draft February 27, 2007 Internal Audit report on the supportive services grant at St. Leo's Place, for 2005-2006, HCD submits the following:

IA FINDING 1:

The Partnership's requisition #3 dated June 1, 2006 and #4 dated July 1, 2006 were not processed for payment by the Department of Housing & Community Development (H&CD) until August 17, 2006.

IA RECOMMENDATION 1:

As per the contract the Partnership has with the City, it states that "Payment will generally be made within twenty-five days of the receipt by the City..." We are recommending that each requisition from the Partnership be date stamped when it is received by H&CD and that payments made to the Partnership be made in a timely manner as prescribed by the contract.

- **HCD Reply to Recommendation 1:** To clarify requisition #4 is accompanied by a letter from Beacon signed and dated July 21, 2006 not June 1, 2006.

The contract further states that "Payment will generally be made within twenty-five days of the receipt by the City..." "...of an acceptable invoice."

Additional information was required on many requisitions which were initially received with incomplete documentation and/or information. This extends the reimbursement period.

The current HCD contract manager has been date stamping requisition requests throughout the current fiscal year (FY06/07).

A more efficient grant requisition system has been developed and implemented to provide contractors with a consistent and easier process.

Summary: HCD practices date stamping requisitions. The contract language will be reviewed for FY07/08 to prevent future confusion.

Subject: HCD Reply to IA Report- Supportive Services Grant 2005-2006
Richardson Hospital

Thank you for your reply of March 2, 2007 for Richardson Hospital. Internal Audit agrees with the Department of Housing & Community Development's (HCD) response to IA' subject report dated March 1, 2007. The only suggestion we would recommend is in addition to date stamping the invoices from the Grantee is that when HCD has a problem with the invoice and has to return it to the Grantee for correction that you transmit it with a letter from HCD. That letter should be maintained in the binder along with the Grantee's invoices.

RE: L. Richardson Hospital
St. Leo's
Supportive Services Grant

Dear Mickey:

We appreciate your letter of March 1 regarding the St. Leo's and L. Richardson Hospital Supportive Services monitoring visit for the 2005-2006 grant year indicating that the funds were spent in accordance to the terms of the contract.

Thank you for your assistance and if you should have any questions, please do not hesitate to call us.

Cordially,

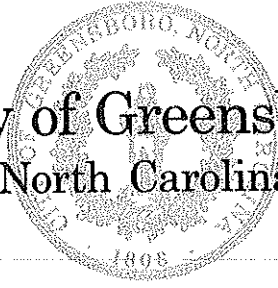

George E. Carr III
