

HOLTS CHAPEL ROAD AND LOWDERMILK STREET WIDENING AND SIDEWALK IMPROVEMENTS

Market St. to Franklin Blvd.

Citizen's Informational Workshop

Thursday, February 28, 5:30 p.m. - 7:30 p.m.

at Gethseman Missionary Baptist Church

3701 Heath St., Greensboro, NC 27401

February 2013

The City of Greensboro cordially invites you to an informal Citizen's Informational Workshop to discuss the proposed pedestrian improvements along Holts Chapel Road from E. Market Street to Franklin Boulevard and Lowdermilk Street from Holts Chapel Road to Cameron Avenue. The proposed improvements include curb and gutter and sidewalk. The City has completed the 25% design of the improvements and would like your input.

The workshop will be an open house format with no formal presentation. Project maps will be on display and project team members will be available to discuss the impacts of the project on your particular property. *Your input is very important to us.* Public feedback will be used to finalize the recommended pedestrian improvements as they are carried forward to final design.

If you are unable to attend the meeting, you may provide input to the study by contacting:
