

# **College Hill Neighborhood**

## **Re-Starting the Planning Process**

### **October, 2013**

#### **What we've completed so far:**

- First Neighborhood Summit to launch the planning process and receive ideas for draft vision statement.
- Draft vision statement prepared.
- Initial data analysis and assessment of existing conditions and trends completed.
- Second Neighborhood Summit to review and comment on the draft vision statement, review summary of data analysis, conditions, and trends, and receive ideas for draft issues, strategies, and actions.
- Initial draft plan document prepared, incorporating summary of data analysis, conditions, and trends, draft vision statement, draft issues, strategies, and actions.

#### **What remains to be done:**

- Third Neighborhood Summit to update stakeholders on project status, to re-initiate planning process, and to get additional feedback on draft vision, goals, strategies, & actions.
- Update and revise draft plan document, adding 2010 Census data, maps, and other information about College Hill that has changed since 2009.
- Fourth Neighborhood Summit to present draft final plan document for neighborhood review and comment.
- Prepare final plan document to reflect neighborhood comments.
- College Hill Neighborhood Association Board approves final plan document.
- Present final plan document to Greensboro Planning Board, and other relevant boards and commissions for review and recommendations.
- Present final plan document to Greensboro City Council for review and adoption.
