Did you know that you can recycle pizza boxes in Greensboro? Or, that you can leave the lid on your empty plastic bottle and recycle both?

While surveys have shown that Greensboro residents *want* to recycle, many of you are confused about *what* to recycle.

Now the City's new "Recycle First. It Matters." recycling education campaign is making it easier to remem-

ber. The campaign simplifies the City's recycling guide with a paper, plastic, metal, glass motif. If an item isn't made from one of these four materials, it isn't recyclable in Greensboro's program.

If you're not sure about an item, visit our new feature at [www.greensboro-nc.gov/recycle](http://www.greensboro-nc.gov/recycle) and type in an item to learn if it's recyclable or not.

Recycle First. It Matters.

# Greensboro Recycling Guide

Items should be empty and dry. Give a quick rinse only if needed. **Recycle First. It Matters.**
