Application is made for an annual permit in accordance with City of Greensboro Ordinance

Sec. 6-112. Annual permit for alterations.  In lieu of an individual electrical permit for alteration as required by this division, an annual electrical permit shall, upon application therefor, be issued to any person regularly employing one (1) or more electricians who have qualified with the board of electrical examiners for the maintenance of electric wiring, devices, appliances and equipment on premises owned or occupied by the applicant for the permit. The application for such annual permit shall be made in writing to the electrical inspector and shall contain a description of the premises within which work is to be done under the permit. The person to whom an annual permit is issued shall keep a record of all electric wiring, devices, appliances and equipment installed under such permit, and the electrical inspector shall have access to such record. Each annual permit shall expire on June 30.

Sec. 6-120. Inspection of work under annual permit.  At regular periods the electrical inspector shall visit all premises where work may be done under annual permits required by this division and shall inspect all electric wiring devices, appliances and equipment installed under such a permit since the date of his last previous inspection, and shall issue a certificate of approval for such work as is found to be in conformity with the provisions of this article, after the fee required has been paid. Upon inspection, if the alteration is not found to be fully in conformity with the provisions of this article, the electrical inspector shall at once forward to the person a written notice stating the defects which have been found.

This permit shall expire June 30 after date of issuance per CoG ordinance. Electrical inspector shall make an inspection quarterly. Log of work, including date of work, description of work, name of electrician and location will be available to Inspector.
