II. Project Installation:

Water Lines to be Permitted (attach additional sheets if necessary)		
Size (inches)	Material	Length (feet)
Enter Total Line Length In Feet		=

This application is made under and in full accord with the provisions of *CHAPTER 130A-317* of the North Carolina General Statutes as it relates to water systems. The plans and specifications are to be within the most recent guidelines and regulations set forth by the City of Greensboro and the North Carolina Department of Environmental Natural Resources (NCDENR). The applicant agrees that no change or deviation from the plans and specifications approved by the City of Greensboro will be made except with the written consent and approval of the City of Greensboro.

III. Applicant's Certification:

I, _____, attest that this application has been reviewed by me and is accurate and complete to the best of my knowledge. I understand that if all required parts of this application are not completed and that if all required supporting documentation and attachments are not included, this application package is subject to being returned as incomplete.

Signature of Owner: _____ **Date:** _____

Note: In accordance with North Carolina General Statutes 143-215.6A and 143-215.6B, any person who knowingly makes any false statement, representation, or certification in any application shall be guilty of a Class 2 misdemeanor which may include a fine not to exceed \$10,000 as well as civil penalties up to \$25,000 per violation.

These plans and specifications cited in the foregoing applications are hereby approved insofar as the protection of public health is concerned as provided in the regulations, standards and criteria adopted under the authority of CHAPTER 130A-317 of the General Statutes, with the following provisions:

IV. Fire Flow and Pump Tracking/Acceptance Request:

Please refer to the Fire Flow & Pump Tracking/Acceptance Request Application for your approval code and list below, if required.

Approval Code – FFPTAR - _____ - _____
(Year) (Case No.)

V. Ownership:

This approval is given with the understanding that upon installation of such works, the project shall be:

- Public by dedication to the City of Greensboro who will operate and maintain the installation in accordance of NCDENR regulations.
- Private with the owner referenced above to operate and maintain the installation in accordance of NCDENR regulations.

As a condition of receiving the water permit the owner acknowledges that the City does not guarantee the quality, quantity or pressure of its water supply. It is hereby made a portion of the terms on which the City furnished water to consumers that the City shall in no case be liable to any consumer for any defect in quality, quantity or pressure.

The official copies of plans and specifications accompanying this application have been sealed and stamped with the issuing project permit number assigned to this application, only such plans and specifications are included in this approval. Any erasures, additions or alterations of the proposed improvements will make such approval null and void.
