**Old Business**

**a. Staff Updates**

Chris Marriott provided follow-up on discussion from the March 2018 meeting regarding recycling ordinances for multi-family apartment complexes. While Greensboro does not have an ordinance requiring recycling, he found 4 NC municipalities that do – Durham, Fayetteville, Kannapolis, and Chapel Hill. He distributed copies of the ordinances. Tony Davies agreed to summarize and create a spreadsheet with the information.

Bob Davis asked about the history of carts at Cumberland Courts apartments. Staff agreed to research the issue.

Chris Marriott stated that the contract for the Yard Waste Automated Cart Expansion Impact Study with NewGen Strategies & Solutions has been finalized. Work will begin tomorrow with a conference call between City staff and NewGen staff. Chris said the process is expected to take 4 months. He will provide an update on the study at the July meeting.

**b. Other Old Business**

Kay Brandon stated that the City Council has not followed up on filling the Commission’s vacancies.

**New Business**

Mary Louise Smith noted that this is Chair Mark Taylor’s last meeting. She commended and thanked him for his service to the Commission.

**Comments from Commissioners, Staff, Council Representatives**

Chris Marriott informed the Commission that the City is in the process of updating its Comprehensive Plan, and wants to create an advisory committee consisting of current board and commission members to oversee the process. He requested that 2-3 Commission members consider volunteering for the committee, which should begin meeting in September 2018 and carries a 2-year commitment.

**Adjournment**

There being no further business before the Commission, the meeting adjourned. The next scheduled Commission meeting is Tuesday, July 24, 2018 at 3 p.m. at the Field Operations Training Room, 401 Patton Avenue.
