Dear valued customer:

A meter technician from our contractor, **Concord Utility Services**, was here to upgrade your water meter.

- Your water meter upgrade is complete.**
This may have caused a brief interruption of water service. We recommend running your cold water faucet for a minute or so if you notice your water is discolored or cloudy.
- We were not able to upgrade your meter due to:**
- water was running
 - access to the meter was blocked
 - bushes or shrubs
 - animals
 - locked gate
 - other: _____

Please resolve the issues indicated above within 48 hours and contact us.
