**Backflow - Contractor of Record:**

July 6, 2023

Dear Building Occupant/Owner,

In accordance with State and local regulations, our records indicate the **Backflow Prevention Assembly(s)** at the property, **GREENSBORO, NC 27410-2183** are due for testing by a certified tester.

The backflow prevention assembly(s) information if available is below.

Renewal / Anniversary Date	Hazard Type	Serial #	Manufacturer	Model	Size	Location
August, 2023	Irrigation	2948417	Wilkins	975	3/4	ABOVE GROUND AT METER

**It is the responsibility and requirement of the company testing your device(s) to submit all test reports to us via the web at [www.thecomplianceengine.com](http://www.thecomplianceengine.com).** If the backflow is on an irrigation meter which is no longer being utilized, please contact the Greensboro Department of Water Resources to have the meter removed.

All questions concerning the above requirements should be directed to the **GREENSBORO DEPARTMENT OF WATER RESOURCES**.

Sincerely,

Chase Leonard
