## REDEVELOPMENT COMMISSION OF GREENSBORO

The City of Greensboro chartered the Redevelopment Commission in 1951 by ordinance under North Carolina General Statutes 160A, Article 22. The Commission conducts studies of neighborhoods, formulates plans, and carries out redevelopment projects for blighted areas of the City. The Commission is authorized to acquire land, redevelop (or contract for the redevelopment of) an area, and sell the redeveloped area when the project is completed. The Redevelopment Commission, like the Zoning Commission and the Planning Board, is allowed to develop expertise in a narrow area and to decide matters of either a legislative or administrative nature based on that experience. Regular meetings of the Redevelopment Commission are held on the first Wednesday of each month at 5:00 p.m. Special meetings are called for transacting urgent or special business.
