Greensboro Community Land Trust Development

Residents, lenders, mortgage counselors, realtors, housing partners, non-profit groups, brokers, foundations, and public agencies are invited to learn how they can be a part of and benefit from the Community Land Trust.

This is Phase 3, the final phase that will lead to implementation in 2025. Read more at www.greensboro-nc.gov/CLT.

A CLT focusing on the City's redevelopment and reinvestment areas is the goal. Check out these areas at www.greensboro-nc.gov/RRAreas.
