League Formation & Teams

The Women's 3v3 League will be formed by placing registered individuals on teams of 5-7 players (minimum of 20 participants required to form a league). Jerseys will be provided by the Parks & Recreation Department based on team assignments. Should a participant want to compete with specific players, this may be placed in the "roster note" section of the registration. There is no guarantee that teammate requests will be met.

Open Play / Player Evaluations

An introductory Open Play night will be held in January. All registered participants will be asked to attend, and walk up registrations will be welcomed that evening. This meeting will be used to allow players to compete in friendly, self-officiated scrimmages under league rules, and for staff to evaluate participant skill levels. The information collected at the event will be used to help form teams.

League Schedule

Regular season and postseason games will be played on Monday and Wednesday nights starting January 6th - February 17th.

Locations

All games will be played at Simkins Sports Pavilion - 1500 Barber Park Dr.
