For more information, contact the Planning Department at 336-373-2144

**Applicants are encouraged to consult with GDOT for a Traffic Impact Study (TIS) determination prior to submitting any zoning/rezoning request (See Ordinance Sec. 30-4-5.4). Failure to consult with GDOT may result in significant delays in processing of application if GDOT determines later that a Traffic Impact Study is required.

Please contact Noland Tipton with GDOT at 336-373-4920. If a project requiring a TIS is located on a State maintained road(s), the TIS must also be submitted to the State by the above stated deadline.
