This should include circulation, parking/loading, service entrances/areas, lighting, signs, utilities, open spaces, screening/buffering/landscaping, environmental protection, effect on adjacent property, and compatibility; along with any applicable additional use standards outlined in the Land Development Ordinance.
- Additional materials may be requested if needed.

#### **AUTHORITY TO FILE**

An application for a special use permit **must** be signed by the property owner of the subject property.

#### **APPLICATION DEADLINES/SUBMITTAL**

All application deadline dates will be strictly enforced. A schedule of deadlines and public hearings is attached. Submittal of this special use permit application hereby authorizes City staff to enter upon the property at any reasonable time for site visit(s) in connection with the review of the application.

#### **PUBLIC HEARING ATTENDANCE**

The property owner must attend the Board of Adjustment public hearing, unless represented by legal counsel. However, if the property owner is a corporation, legal counsel representation is mandatory. If the applicant is different than the property owner, he/she must also be present. All evidence presented at public hearings on special use permits must be under oath.

#### **PUBLIC NOTIFICATION**

Property owners within a 600 foot radius of the subject property will be notified of the proposed request. The Planning Department recommends that special use permit applicants discuss the proposed request with surrounding property owners prior to the public hearing date.

#### **GREATER RESTRICTIONS**

In granting a special use permit, the Board of Adjustment may impose more restrictive requirements as deemed necessary to advance the purposes and intent of this ordinance, provided that such requirements are directly related to the impacts of the proposed use.

## BOARD OF ADJUSTMENT SPECIAL USE PERMIT APPLICATION

An application has been duly filed requesting that the property involved in this application be issued a special use permit for the use(s) indicated in this application. It is understood and acknowledged that if a special use permit is issued as requested, the property involved in this request will be perpetually bound to the use(s) authorized and subject to such conditions as imposed, unless subsequently changed or amended as provided for in Chapter 30 of the City Code (aka Land Development Ordinance). It is further understood and acknowledged that final plans for any development to be made pursuant to any such special use permit so authorized shall be submitted to the Technical Review Committee for review in the same manner as other development plans that require approval by the Technical Review Committee.

A special use permit must be granted by the Board of Adjustment when all of the following findings have been made. In the lines below, please indicate how the proposed use will support each finding. If the Board of Adjustment does not make any one of these findings, the special use permit may not be granted.
