

It is 2021, and it is time to get moving! We want you to grab your friends (two or four legged) and family, and get outside on one of our trails, walking loops, greenways, or lakes and walk, ride, or boat 21 miles this January.

Get emails with tips and tricks from us throughout the month. Track your miles and submit to [gsoparksandrec@greensboro-nc.gov](mailto:gsoparksandrec@greensboro-nc.gov) to be entered into a drawing for a Greensboro Parks and Recreation prize pack including a free shelter rental, pedal boat passes, fishing passes, and more!

Goodbye 2020, and hello 2021!
